# BUT FOR NUDISTS?

## ANSWER: The American Nudist Research Library

Like you, we believe everything is more enjoyable in the nude, whether in the great outdoors with friends or at a resort or club.

In fact, here's your next bucket list item:  
*Go to the library naked!*

While on the beautiful grounds of Cypress Cove Nudist Resort, "check out" the *American Nudist Research Library*.

It's the perfect respite from the heat, a rainy-day diversion, or a travel destination by itself.

Inside the library, you'll find an extensive collection of books, magazines, newsletters, photographs, videos, and audio recordings associated with social nudism's long and fascinating history.

*Preserving this history is vital to ensuring you and future generations will always have access to the story of social nudism's development and cultural significance.*

Why does that matter? *Keep reading!*

*So much of our future lies  
in preserving our past.*

-[ Peter Westbrook ]-

# Ensuring the Future Preservation of Social Nudism

## TAKING A CLOSER LOOK

### Spread Your Wings

The world is full of great places and ways to get your nude on.

We have travel guides, maps, club newsletters, and other information resources to help you find your next naked adventure.

Let your imagination run wild, from thermal springs in the USA's wild west to sparkling beaches in Croatia to snowshoeing in the French Alps.

Collecting this material for you matters.

### Take Your Best Shot

Individuals and clubs sometimes face legal disputes like divorces and zoning hearings.

The library has provided relevant material to help defendants strengthen their court cases.

We don't give legal advice, but we often have relevant information you won't find anywhere else.

It's another reason preserving this material is so important.

Oldest book: *Die Nacktheit* by Richard Ungewitter (1907)

7,000 Newsletters – of pioneering clubs & organizations from around the world.

#### 1,000 Club Files

PR and marketing, news articles, memorabilia from organizations, clubs and free beach groups – both historic & active.

#### 1,000 Nudist-Related Books

Fiction: written by nudist authors and or about nudist characters. A wide variety of nonfiction, including large collections of nude photography, nude recreation including guide books, and nudist history.

#### 950 Videos

Promotional videos, documentaries, travelogues, club activities, Cypress Cove Performers, and family videos of nude vacations.

#### 200 Audio Recordings

Hear the founders of American nudism in their own words. Listen to a Who's Who of recent nudist leaders and activists.

12,000 Magazines – from 28 countries in 17 languages, including Esperanto!

Oldest magazine in English: *Art Magazine*. (1922)

Oldest magazine: *Die Schönheit*, (1911)

### Open Their Minds

If you write a blog or have a podcast about nudism, you know changing the public's perception isn't easy.

Information about the men and women who pioneered social nudism is at your fingertips in our library. You can gain a lot of insight from their stories, methods, mistakes, and successes.

Keeping all of this enlightenment organized and available is a service we provide to help you become a more knowledgeable writer or podcaster.

### Make Some History

Attorneys, lobbyists, legislators, academics, researchers, teachers – anyone looking for accurate details about social nudism's history for their work will find the *American Nudist Research Library* invaluable.

There is literally nowhere else you can go on the planet and find this much information about nudism under one roof.

We want future generations to have this same advantage.

The American  
Nudist Research Library is an  
independent entity. We are not affiliated  
with any other nudist organization. Our  
holdings are primarily acquired from generous  
donors like you. We are a 501(c)3 non-profit  
corporation operated by volunteers, none  
of whom are paid—not even our Board of  
Directors. All support fees and financial  
& material donations are invested into the  
library's mission and are tax deductible.
