**"An original, well-researched study."**

KIRKUS REVIEWS

**"A compelling and provocative interpretation of the American nudist movement."**

ANDREA FRIEDMAN, AUTHOR OF *PRURIENT INTERESTS*

*Naked* gives a vibrant, detailed account of the American nudist movement and the larger cultural phenomenon of public nudity in the United States. Brian Hoffman reflects on the idea of nakedness itself in the context of a culture that wrestles with an inherent sense of shame and conflicting moral attitudes about the body. Hoffman reveals how anxieties about gender, race, sexuality, and age inform our conceptions of nakedness. He traces the debates about distinguishing deviant sexualities from morally acceptable display, the legal processes that helped bring about the dramatic changes in sexuality in the 1960s and 1970s, as well as the explosion in eroticism that has increasingly defined the modern American consumer economy. Drawing on a colorful collection of nudist materials, films, and magazines, *Naked* exposes the social, cultural, and moral assumptions about nakedness and the body normally hidden from view and behind closed doors.

**BRIAN HOFFMAN** has taught at the University of California, San Francisco and Wesleyan University.
